Complete Protection

Microsoft 365

User Data
across Exchange Online and OneDrive For Business, Teams Chat & Planner Tasks

Collaboration Data
across Shared Resources (Shared Mailboxes / Public Folders), SharePoint Online, Microsoft Groups & Teams, and Planner

> We would have been in real trouble without a backup solution for Microsoft 365. We would have likely had to pay a $15,000 ransom, with no guarantee of getting our data unencrypted."
>
> **Manager at Commercial Real Estate Firm protected by SkyKick Cloud Backup**

Customer Centric
Maximum value

- **Smart Insights**
  Protection made easy with visual data charts

- **Persistent Backup**
  Backup that never gives up
  (Up to 6 per day and fully retained)

Shared Responsibility Model (SaaS)

Microsoft responsibility

"Microsoft **is not liable for any disruption or loss** you may suffer as a result ... We recommend that you regularly **back up your content and data** that you store on the services or store using third-party apps and services."

Microsoft Services Agreement (Section 6b)

Customer responsibility

"**You own your data and identities**. You are responsible for protecting the security of your data and identities."

Microsoft Shared Responsibility Model

Our responsibility

Ensure your data is covered. And recovered.
